Notes: Percents may not add to subtotals or 100.0 because of independent rounding.

Dash indicates that percent distributions are not calculated when the base number is less than 50.

¹ Numbers represent acts directed at entities other than individuals.

For the period January through December, 1995,

Of 2,626 victims of hate crimes,

- Most (2,286) were individuals. Of these,
 - Crimes against the individual accounted for 84.7 percent (1,937).
 - Crimes against the individual's property accounted for 15.3 percent (349).
